PLEASE RESPOND TO THE FOLLOWING STATEMENTS:

Describe briefly (up to 400 words) your proposed public interest project. Please specify what legal rights you will advance and how you think your project will work.

Select one or two of your previous public interest experiences and state briefly (up to 400 words) their significance:

State briefly (up to 400 words) what called you to public interest work and your proposed project.

State briefly (up to 400 words) your vision of the role of public interest work in addressing systemic racism. To the extent your project relates to racial justice, please describe the intended impact of your project on racial equity in our country.
